8.06.20

Dear Year 1 Parents,

As we prepare for the wider opening of school we have been working to finalise and determine the maximum number of children we can safely accommodate on site. This has included measuring classroom spaces; checking levels of ventilation and moving furniture out of rooms that is difficult to clean. Due to a greater number of children returning in Early Years and also an increase in Keyworker/vulnerable children, we are close to capacity with our staffing. Should the number of Keyworkers' children increase further, **we may be unable to open to Year 1 pupils as planned.** Unfortunately, we have already had to cancel the return of our Year 6 cohort.

In order for us to be able to plan for all eventualities, if you are a keyworker and your child does not currently access the essential childcare, but may need to if we do not open to Year 1 pupils, **it is essential** that you email us to let us know by **12.00pm on Wednesday 10th June.** Please could you also indicate which days you would require for this essential care. Please note, we are still unable to offer breakfast or after school clubs. In addition, the school will close every Friday afternoon from 19th June for deep cleaning. When we have final numbers, we will contact you as soon as possible to let you know what we are able to provide.

Thank you again for your support and understanding during these times.

Kind regards,

S. Whelerton
