

Swimming and Water Safety
Data for Year 6 cohort ,leaving July 2022

Swimming is an essential skill and can encourage a healthy and active lifestyle. All Local Authority schools must provide swimming instruction in either key stage 1 or key stage 2. The programme of study for PE sets out the expectations that pupils should be taught to:

- Swim competently, confidently and proficiently over a distance of at least 25 metres.
- Use a range of strokes effectively (for example, front crawl, backstroke and breast stroke)
- Perform safe self-rescue in different water-based situations.

Swimming and Water Safety	Please fill out all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	10 pupils 33%
What percentage of your Year 6 pupils could use a range of strokes effectively (for example, front crawl, backstroke and breaststroke) when they left your primary school at the of last academic year?	3 pupils 10%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	1 pupil 3%
Schools can choose to use the primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes within the last few weeks of Summer Term.

At Staindrop CofE Primary School we provide additional swimming lessons for those children who have not met the national curriculum requirements for swimming by the time they reach Year 6. The Primary PE and Sport Premium enables us to do this effectively.

During the academic year 2020/2021, majority of swimming provision was cancelled for Year 3 pupils.

The current YR4 (2020-21 yr3 cohort) are currently attending weekly swimming sessions as catch up .
