School Meals Price Increase

Dear Parents, we have been informed by Chartwells that from **Monday 27th February** (following the half-term break) a school meal will cost **£2.41** per day. This is due to the challenges being faced in terms of inflation and energy and to ensure a sustainable and nutritious meal is provided to the Children. The cost of a Nursery school meal will rise to £2.89 (inclusive of VAT). Also, from September 2023 meals will increase to £2.50 per day with this rate fixed until April 2024.

*Through God's love, we are the rich soil where roots grow and seeds flourish.
