Flu Catch Up Session

The immunisation team are hosting a Flu Immunisation catch-up session in school on 23 November 2023. If your child missed the Flu Immunisation session and you've already consented, they'll be able to get it during this catch-up session. If your child already has received it at your doctor's surgery, please let the team know as soon as you can so that your child does not receive this vaccination again.

If you've got any questions, please do not hesitate to get in touch.

Parking

We have had a number of complaints from the residents of nearby housing about cars parking on and blocking driveways at school drop off and pick up times. We would kindly ask parents to park responsibly and considerately.
