World Book Day 2024 Thursday the 7th of March

All children are being sent home with a paper plate for them to turn into a book character mask!! We would like the children to wear their masks to school on World Book Day - either with their uniform or if they want to, coordinating clothes. We will have a mask parade in school and award prizes for the most creative designs!

This year, we have also become an official world book day reseller, so the children will be able to use their world book day vouchers to buy a book directly from school on the day. They will also be able to buy additional world book day books for £1 each. Any money raised will be donated to help buy new books for the children's Library in Ankoma.

Through God's love, we are the rich soil where roots grow and seeds flourish.
