Parking

We have received a number of complaints from local residents regarding parking around the school and must remind all parents and carers that they should **not park on Swan Wynd (the lane outside of school) or in Broumley Court**, as this is residents-only parking.

The lane must be kept clear at all times to allow access for large lorries serving the business located at the end of the lane. Unrestricted access is also essential for emergency vehicles.

We ask that all parents park considerately and only in appropriate locations when dropping off or collecting children. Failure to do so can cause significant inconvenience to local residents and may create a safety risk.

We appreciate your cooperation in helping us maintain good relationships with our neighbours and ensuring safe access for all who use the area.
